II · THE EXPERIENCE

In Yonezawa, sake brewing is the heartbeat of the community. This is the ultimate sake experience — a private audience with the brewery owner. Just as one might visit a historic Champagne maison to converse with its owner, you explore the brewing museum with the current Chairman, “Yazaemon Kojima,” the 24th-generation head of the house. Hear the history of brewing and the spiritual tales of the storehouse — the branch shrine of “Omiwa Myojin” and the legend of the “Daikoku-sama in a yellow kimono.” The experience culminates in an exclusive lunch at the historic “Jodan-no-Ma” (the Upper Room), usually reserved for dignitaries, featuring local Yonezawa cuisine prepared by the chairman’s family and paired with the finest brews.
