THE COLORS OF THE SNOW COUNTRY

The Philosophy

Weaving the Breath of Nature

An exclusive afternoon with the master of a 140-year-old silk house.

HOSTED BY NITTA TEXTILE ARTS INC. — EST. 1884

II · THE EXPERIENCE

In Yonezawa, seasons are not four but twenty-four. This private session opens the residence of the Nitta family — guardians of the colours of the snow country — to an audience of two to seven. Through tea, dialogue, and the dyeing of a Silk Wave scarf by hand, one touches what cannot be translated. The essence of careful living.

- 00:45 The dyeing — Silk Wave receives its colour from this fortnight's pigment.
