Gastronomy and Wisdom

Tasting the Philosophy of Katemono

What survives the snow becomes the table. The wisdom of katemono.

HOSTED BY SATOYAMA SOMMELIER — BORN OF THE 24 MICRO-SEASONS

SHOT · DETAIL

II · THE EXPERIENCE

Long before luxury, there was katemono — the wisdom of turning what grows wild into what sustains through winter. A botanical observation walk and ingredient lecture is followed by a full-course lunch where weeds are revealed as treasure, paired with local wines that share the same soil. The story of Lord Uesugi Yozan threads quietly through the meal.
